

20th February 2017

Dear Parents/Carers,

Year 2 homework:

Please read with your child every night and comment or sign their reading record to allow books to be changed.

Spellings will be sent home every week in the back of reading records and tested on a Friday. Any words spelled incorrectly will be highlighted so you can practise them again at home. Number bonds or times tables will also be tested on a Friday, marked and sent home on the same day. This is so you can see your child's progress or practise any sums they are finding tricky.

Homework will be given out in homework folder on a Monday, to be returned the following Monday. It will alternate between Maths and Literacy and **will mainly be parts of SATs papers to practise, ready for the tests in May.**

You will also receive one piece of creative homework linked to our class topic, which is due in on the **last week of term** to share with everyone.

Year 2 will start this term with a Literacy homework due in on the 27th February.

Monday 27 th February	Literacy (due in 6 th March)
Monday 6 th March	Maths (due in 13 th March)
Monday 13 th March	Literacy (due 20 th March)
Monday 20 th March	Maths (due 27 th March)
Monday 27 th March	Literacy (due 3 rd April)

If you are unsure about any of the activities or have any questions please come see me. If homework is not completed it will be done during break time.

Thank-you,

Mrs Paine – Year 2
