Academic Year 2016/2017

Date: Friday 24th March 2017

This week at Fir Tree has been assessment week. Children have worked hard to show how successful they are becoming in their understanding and learning. Well Done.

Next week our choir will be performing at the Anvil, Basingstoke and our Cross country team will be taking part in the county cross country competition at the Showground. Good Luck to everyone.

Uniform

Recently I have noticed that some children are taking less pride in their appearance. We expect children to wear black shoes to school **NOT** trainers, while skirts and dresses should not be too short.

House Art Displays

Here are the finished displays of our House Art last week. I think you'll agree that yet again our school has produced some beautiful artwork which every child participated in.
