Year 4 Trip to see **I Believe in Unicorns**

Year 4 Trip to see I Believe in Unicorns On Monday March the 2nd we went to see a play called I Believe in Unicorns. We went on the minibus to Welford and Wickham School to see the play. It had loads of amazing special effects. It was amazing because there was a book in a book! We saw lots of magical things like a wooden unicorn (that looked realistic) and a kite coming from inside the books! There was only one woman in it, but it was still good. We really enjoyed the play and it was linked to our topic!
