Fir Tree School Association

The Association of Parents, Staff & Friends of Fir Tree Primary School, (Charity Number 1043500)

Every year the FTSA has to hold an Annual General Meeting as part of the requirements of being a charity. This is a chance to find out what the FTSA does and how any money raised is spent. You can also have your say in what you would like to see happening and share any ideas you have for fundraising and/or social events.

This year we are doing it a bit differently. We are not holding a formal sit down meeting but instead please come along to an informal get together with cakes and refreshments. There will be information on the FTSA available and a chance to vote on some of the issues discussed. It is a drop in event so come along when you can and for as long as you want.

There will be refreshments as well as homemade cakes to eat in or takeaway.

Alongside the tea and cakes, there will be a second hand book and toy sale and a chance to buy some extra bits of good quality second hand uniform.

So, refreshments, homemade cakes and the chance to snap up a bargain – what more do you want?

Come along and get involved

THURSDAY 9th October – 3.15 -5.00! SCHOOL HALL
